SC            Now is the time  
              To follow the wind  
              To walk alone

TB            And a star will show the way  
              Above the clouds  
              Beyond the sea

SC            And now is the time

SC veus            now and farewell }  
TB            And now and farewell }

SCTB veus    And as we part  
              You taught me well  
              You gave me strength  
              You showed the way  
              I'll not forget you

SCTB            Like an eagle I will soar above the clouds  
              I will spread my wings and fly into the sun

              Like an eagle I will race above the stars  
              I will fly to places yet unseen  
              Go beyond my wildest dream  
              Know that you are watching over me

SC            And all alone  
              I follow the stars above  
              As my guide

TB            As my guide I trust in you  
              To show the way to me  
              Beyond the sea
